

# **P** PRO-MAX **PRO-MIG 300** 25-PM300

The Promax PRO-MIG 300 MIG (MAG) Inverter Welder is a high quality welder that provides superior performance. With its IGBT power device, it provides excellent reliability, high duty cycle for extended welding use.

- Features:
- Professional Three Phase MIG Welder*
  - Power Indicator*
  - Thermal Protection*
  - 10 Heat Settings*
  - Stepless Wire Speed Setting*
  - Usable with 20Kg Spool*
  - Includes Cable Kit + MB 36 Torch + Flow Meter*

Its application include thin plate welding field such as automobile, light steel structure, steel furniture, motorcycle accessories and materials such as low carbon steel, carbon steel and high tensile steel.

Input Power	Rated Input Current	Rated Input Capacity	Open Circuit Voltage	Output Range	Rated Output	Rated Working Voltage	Weight	Dimension
380 V	15.2 A	10.2 KVA	36 V	20 - 250 A	60% @ 250 A	15 - 26.5V	84 Kg	930 x 530 x 730 mm

***Built to Perform***
